3.3%

IF IT SELLS ABOVE \$980,000

Commission inclusive of GST, on the contract price, payable only if a contract is entered into and settles. **\$980,000 is a fee threshold, not a valuation** — it sits just above \$968,888, the most any house in Viewbank Court has been paid. **The exclusive agency runs 50 days, to 10 November** — a fortnight past the auction, so the plan and the appointment finish together and the choice stays yours.
